1. Freego Group introduction
Freego Group is a leading electric bicycle manufacturer and supplier.
2. Freego Group's main business scope:
1. Electric bicycle, electric mountain bicycle, electric folding bicycle
2. Electric motorcycle, electric tricycle, electric scooter
3. Electric vehicle parts, electric vehicle accessories, electric vehicle equipment
4. Electric vehicle battery, electric vehicle charger
Freego Group's main products are:
1. Electric bicycle, electric mountain bicycle
2. Electric motorcycle, electric tricycle
3. Electric vehicle battery, electric vehicle charger
4. Electric vehicle equipment, electric vehicle accessories
Freego Group's main customers are:
1. Electric bicycle, electric motorcycle, electric tricycle, electric scooter, electric vehicle equipment, electric vehicle accessories, electric vehicle battery, electric vehicle charger, electric vehicle parts
