2020 электрический самокат в воде для плавания

Technical Specifications

Weight (including battery)	2.4kg/5.7lbs
Battery Capacity	4000mAh/14.8Wh
Maximum Speed	0.5m/s(1.8KM/H)
Dimension	420*300*(Upside) 220*(Downside) mm
Power	12V
Motors	1.5kg/3.3 lbs
Battery	14.8V
Battery Capacity	4000mAh/14.8Wh
Output Voltage/Signal	100-240V
Charger	14.8V/2A
Charging Time	2.5hours

Function 1 · Trigger 2 · Function 2 · Forward · Back Cover Top · Front Grip · Battery Status · Back Cover Bottom · Charging Port · Power Button · Safety Lock · Rear Grip · Trigger 1 · Back Cover Down

LESWIM Electric Swimming Wristband

LESWIM is a new concept product - electric swimming wristband. Wearing it, people can swim easily and safely. It is suitable for people who are not very swimming enthusiasts. You can cross Swan in the water even if you can't swim. LESWIM can help beginners to overcome fear of water and learn swimming. Swimming may not be a problem in a new dynamic way.

In addition to the powerful propulsion, LESWIM is fitted with user-friendly features. The ergonomic design, the adjustable speed, the remote control, and the safety lanyard that protects your children. Enjoy it and also the compatibility with action cameras to capture memorable moments underwater. Thanks to the lithium 3Ah 4000 mAh battery, LESWIM allows you more time spent fun in water.

Product Safety

We have established a set of scientific and quality management system (ISO9001:2015) to ensure the safety and reliability of LESWIM.

Product certification · Patent certification

FC	EMC	CE	RoHS
CPC	RoHS	FCC/CE	VMA3

LESWIM is designed with stainless steel and with the battery housing meets the highest waterproof rating - IP68. All products will undergo a 24 hour pressure test before leaving the factory. Note: weight, size, and materials may vary as we continue improving the design.

LESWIM Packaging

Color Box Package Dimension :
(length width height)

559 * 202 * 423 MM
Total weight : 6.4 KG

20' FT Container : 550 PCS
40' FT Container : 1100 PCS

Краткое введение о Freeo

Freeo High-Tech Corporation Limited - инновационная высокотехнологичная компания
Объединения R & D. производства. продажа и обслуживание электрических самокатов
С 2008 года складные переносные электрические велосипеды и самобалансирующиеся самокаты (Segway, Hoverboards).

- Китайское национальное высокотехнологичное предприятие
- Зарегистрированный в ЕС бренд
- Мировой лидер в посвижной мале перевозки с помощью
- Лучшие топ отзыва в Китае
- Южный Китай крупнейший производитель и экспортер электрических скутеров
- Ежемесячный объем продаж 10 000 единиц
- Полайна система менеджмента качества ISO 9001: 2008
- Управление на месте через TUV, SGS, UL и Alibaba
- 5 лет правильно поставщиком Alibaba
