The warranty only covers the following parts:

-Motherboards / PCB (24 months)

-Motor (12 months or 18,000km)

-Lithium battery (12 months)

Lead battery (6 months)

-Chargers: 12 months.

3. Replacement procedure:

If you need to replace any part, you must first contact us for approval of the parts. The buyer has to send the defective part to our factory in China for inspection. If these parts are found within 2 months of receiving the product, if the buyer wishes to replace them, they must ship the parts to us at their

own expense, we will repair or change the parts and return them to the buyer at our expense and repair Shipping. If the buyer chooses to send us the defective parts 2 months after receiving the product, the buyer will be responsible for all shipping costs and taxes.

* Note that 1% spare parts are provided for free with bulk orders-100 pieces

After the warranty expires, the buyer is responsible for all costs of purchasing new parts, repairs, and paying full shipping costs.

4. Disclaimer:

I. Electrical damage caused by improper use of the battery, such as B. Use of an unapproved charger, long uncharged time or improper connection of the power cord are not covered. Please charge the battery responsibly and regularly (at least once a month) II. Water damage caused by improper use in snow, wet, or flooded conditions is not covered. Our products are rainproof, not waterproof. Please use carefully

III. Damage caused by accident, disaster or improper use such as running or jumping is not covered.

IV. Damage caused by not following the manual or not following the maintenance instructions is not covered.

V. The guarantee does not cover damage or missing packages caused by courier services. Once our products leave the factory, we have no control over them. Our price is Ex Work / FOB Shenzhen (http://en.wikipedia.org/wiki/Incoterms#EX_Works). BUT we are ready to help the buyer get compensation from the courier company. We recommend the buyer to confirm with the express man first and get proof of missing or broken items. The evidence should then be forwarded to the airline concerned for compensation.

We say our deepest thanks and hope you enjoy riding.
